You further warrant that any information you submit to the Company when using or purchasing Content through this Website is owned by you and that you have the necessary authority to submit such information, including your payment information and email address.

### Terms of Use

The Content provided by the Company, whether directly through this Website or via a third party product delivery platform, is for informational purposes only and no portion of the Content is intended to substitute for any professional advice, including but not limited to medical, psychiatric, psychological, or behavioral advice and/or treatment, and you may not rely on the content of this Website to provide such.

The Content on this Website is not to be interpreted as a promise or guarantee of results. If you require medical, psychiatric, and/or psychological care, you are advised to retain the services of a licensed medical professional. In her capacity as a leadership coach and Human Resources consultant, Terri Lowell does not hold herself out to be a health care provider (including physician, psychiatrist, nurse, psychologist, therapist, counselor, or social worker), financial advisor, attorney or member of the clergy. The sole intention of the Company, whether through its Website and/or products and services, is to provide educational materials and coaching in the area of leadership and executive development and personal growth.

Under no circumstances will the Company or any of its representatives be held liable for any special or consequential damages that result from the use of, the improper use of, or the inability to use the information or strategies communicated to you through the Content.

You hereby assume responsibility for your actions and the results you create, or do not create, as a result of your actions or inactions. You also understand that it is entirely your right and responsibility to decide the extent to which you make use of this Content and you therefore agree not to attempt to hold the Company liable for any such actions or results of those actions under any circumstances. The statements and the strategies offered in the Content are based on the opinions, experiences, and coaching strategies of the Company. No future guarantees can be made that you will achieve any results from the Content, and the Company shall not be held responsible for any loss, liability, damage (whether direct, indirect, or consequential), personal injury, or expense of any nature whatsoever, which may be suffered by you or any third party as a result of, or which may be attributable directly or indirectly to, your access and use of the Content. In fact, **we make no guarantee whatsoever** that you will achieve any results from the methods or coaching practice contained in this Website or in our Products and Services as results depend on many factors under your control.

The Content in our Website and in our Products and Services may include views or recommendations of third parties, which do not necessarily reflect the views of the Company or indicate its commitment to a particular course of action.

In any instance where we include any case studies or testimonials, you can assume that none of these stories represents the “average” or “typical” customer experience.

By accessing Content through this Website and its Products and Services you hereby waive and release the Company to the full extent permitted by law from any and all claims relating to the use of and/or reliance on the Content. You must be at least **eighteen years of age** to access the products and services provided on this Website. If you are not at least eighteen years old, you are not permitted to access this Website for any reason whatsoever.

#### **Passwords**

If you are provided a password to access the Website and its Content, then that password is for your personal use only, unless otherwise specified. You agree, therefore, to be responsible for the security of your password. Any password or right given to you to obtain product or services is not transferable or assignable.

#### **Copyright and Trademark**

All Content posted on this Website is subject to copyrights owned by the Company. #### **Product Delivery**

Unless specified otherwise, the Content will be delivered by digital download, directly from the Website or via email, or via a third party product delivery provider, to your computer. In the case of unforeseeable delays, the Company is not required to compensate for damages or inconveniences cause by such delays. It is your responsibility to enter the correct delivery address at the time of ordering and paying for the Content. If you enter the wrong email address, we are not obliged to re-send the order to another email address. It is the responsibility of the customer (the purchaser of the Content) to inform the Company if an order is not delivered. Once we learn an order has not been delivered to you via digital download to your computer, we will make every effort to complete the delivery as soon as possible, except where delivery cannot be made through fault of your ability to accept the Content via digital download.
